

UNIVERSITY OF MISKOLC
FACULTY OF MATERIALS AND CHEMICAL
ENGINEERING

Students' Scientific Research Council
3515 MISKOLC Egyetemváros

Dear Students,

The information and deadlines regarding the **STUDENTS' SCIENTIFIC RESEARCH CONFERENCE** of 2026. spring are the following:

APPLICATION: MARCH 09 – APRIL 27. 2026

For application, the following is to be fulfilled:

1. **Apply at <https://tdk.iit.uni-miskolc.hu/> webpage.** Those students, who have not registered already, registration is required for signing in. Those students, who have already registered during the previous years, registration is not required, they can sign in with their own account and password.
2. **Submit one copy of the printed and signed – by both student(s) and supervisor(s) - application form** generated by <https://tdk.iit.uni-miskolc.hu/> **to the TDT secretary** (Dr. Márton Benke, Institute of Physical Metallurgy, Metalforming and Nanotechnology, Bld. B/1 Room 109. or Bld. B/1 Room: 108).
3. **Submit one copy of the printed and signed – by both student(s) and supervisor(s) - maximum one page abstract of the research work to the TDT secretary** (Dr. Márton Benke, Institute of Physical Metallurgy, Metalforming and Nanotechnology, Bld. B/1 Room 109. or Bld. B/1 Room: 108). The abstract must contain the title of the research work, the name of the author(s) /student(s)/, name of supervisor(s), and maximum one page summary of the research work.
4. **Send the printed and signed – by both student(s) and supervisor(s) - abstract in docx form to the TDT secretary** via memaktdt@gmail.com.
5. **The TDK reports must be uploaded to the <https://tdk.iit.uni-miskolc.hu/> webpage and handled in two copies - signed by author(s) and supervisor(s) or completed with supervisor declaration to the TDT secretary** (Dr. Márton Benke, Institute of Physical Metallurgy, Metalforming and Nanotechnology, Bld. B/1 Room 109. or Bld. B/1 Room: 108).
6. **Send the TDK reports in pdf form to the TDT secretary** via memaktdt@gmail.com.

DEADLINE OF SUBMISSION OF THE COMPLETE RESEARCH WORK: MAY 20. 2026. 16:00.

DATE OF STUDENT'S SCIENTIFIC RESEARCH CONFERENCE OF THE FACULTY OF MATERIALS AND CHEMICAL ENGINEERING: JUNE 03. 2026.

Students achieving outstanding results at the Scientific Students' Conference will receive the following awards:

- TDK 1st Prize: 75,000 HUF
- TDK 2nd Prize: 50,000 HUF
- TDK 3rd Prize: 30,000 HUF
- TDK Special Award: 30,000 HUF

Dr. Márton Benke
Students' Scientific Research Council secretary
Faculty of Materials and Chemical Engineering
